

REBBETZIN KANIEVSKI'S LETTER TO THE WOMEN OF THE TEHILLIM GROUPS

Righteous women!

You are fortunate in taking part in an exalted and important mission, in organizing, strengthening others and yourselves, bringing others to participate and participating yourselves in groups of women who recite Tehillim, study the laws of *lashon hara*, and reinforce the trait of modesty.

May you be blessed from Heaven, and be worthy of blessing. Through the merit of righteous women Israel has been redeemed in the past and will be redeemed in the future. May you be among those who see the face of Mashiach.
