

ME'SHEBARACH FOR FINDING ONE'S MATE

May He Who blessed our forefathers Avraham, Yitzchak, and Yaakov, Moshe , Aharon, Daivd and Shlomo, bless _____because we have prayed for them. And as reward for this, may the Holy One, bless is He, have each one of them meet his or her appropriate match, and may they not be shunted aside by others, Heaven forbid. Bless the works of their hands by providing them generously with material means. May they be wed to their spouses with bliss, ease from pressure, and with joy. May they be the source of good fruit and righteous children, who are worthy and who bring merit to all of Israel, speedily and in the near future. Let us say, Amen.
